

All Saints Cottenham Values Statement

Worship

We believe worship to be a time to come together to celebrate our faith, to bring thanksgiving to God, and to seek His help in every part of our lives.

We aim to provide a range of opportunities to worship that enable all ages to participate, and that embraces both the traditional and the new.

Prayer

We believe that prayer is fundamental to our Christian lives, both individually and corporately.

We aim to provide opportunities to learn more about prayer, and to participate in prayer as individuals, in small groups, and as a church community.

Learning

We believe that our faith is strengthened as we grow in our understanding of God, and in our knowledge of the bible.

We aim to provide teaching for all ages that is accessible and enjoyable, that takes place in a variety of settings, and that challenges us and deepens our faith.

Pastoral Care

We believe that every person matters.

We aim to build relationships with all those connected with All Saints, and to care for one another spiritually, socially, and practically.

Outreach

We believe that we are called to communicate the love of God to the wider community.

We aim to do this in both word and action, with sensitivity and care for all those we encounter.

Care For The World

We believe we are called to care for the world and its people through prayer, action and giving.

We aim to do this by considering the impact our lifestyle has on the earth, and reducing that impact; by keeping informed of the needs of the world, and bringing them to God in prayer; and by offering financial support to organisations that address specific needs across the world.
