

The IC Values Statement

We believe in **inclusive church** – a church which **celebrates and affirms every person** and does not discriminate.

We will continue to challenge the church where it continues to discriminate against people on grounds of **disability, economic power, ethnicity, gender, gender identity, learning disability, mental health, neurodiversity, or sexuality**.

We believe in a Church which **welcomes and serves all people** in the name of Jesus Christ; which is scripturally faithful; which seeks to proclaim the Gospel afresh for each generation; and which, in the power of the Holy Spirit, allows all people to grasp how wide and long and high and deep is the love of Jesus Christ.

An Inclusive Theology

Exploring what it means to be 'inclusive' in today's church is an important part of our work.

The Annual Inclusive Church Lecture was established in 2013 as a contribution to the theological debate around this issue.

In recent years, we have had speakers such as Ruth Hunt, Sam Wells and June Boyce-Tillman.

A Theology of Lived Experience

We also hold an annual Disability Conference in partnership with St Martin in the Fields, run by and for disabled people. Find out more: <https://www.inclusive-church.org/topics/disability/>

In recent years, we have invited guests to speak on Black Theology - you can re-watch the videos here: <https://www.youtube.com/inclusivechurch/videos>

An Educational Charity

Inclusive Church is an educational charity first and foremost. Our website and resources exist to educate individuals and churches in our network about inclusion, so that they can become more inclusive. You can search our resources on our website: www.inclusive-church.org/

We have written a book series which will help you explore different aspects of inclusion, from disability to ethnicity. You can buy these from the publisher via our website: <https://www.inclusive-church.org/resources/inclusive-church-books/>
